Re: CUPE Labour Update

Date: Friday November 4, 2022

Dear Parents,

Thank you for your understanding as we navigate through the provincial CUPE labour negotiations and its impact on our programs. The health, safety and well-being of our children and staff will always be our main priority.

At this time, we are being told by our school board partners that due to the uncertainty of how long the labour negotiations between CUPE and the Government of Ontario will continue. As such, if an agreement is not reached between both parties over the weekend, starting on Monday, November 7, 2022, and for the balance of any further job action by CUPE, our Before and After School Programs will remain **CLOSED** and we will keep you updated as information is received from the school boards.

Please note that our three childcare centres (*Christ The King, St. Monica, and Carnegie*) will remain open with normal operating hours of 7am-6pm, except for Carnegie CCC. Due to the operational needs and staffing at YRDSB it may be necessary for us to close our program early.

We understand the inconvenience this may cause to many families, as the need for childcare is important for all. However, we are not able to offer a full day PA Day type program as instructed by the Ministry of Education on instructional school days. Please be sure to follow us on all social media platforms for regular updates
