## LOST OR STOLEN ITEMS

KCCE will not be responsible for lost or stolen items. Electronic hand held games are not permitted at camp (iPads, Nintendo DS, Cell Phones, etc.). Please leave your valuable items at home.

## MEDICATION POLICY

Health and safety are priorities for KCCE. Please ensure your child's information is accurate by completing the medical information portion on your Registration Form. Campers who require prescribed medication at camp must indicate this on the registration form- this includes inhalers. Medication forms are available prior to and during camp from the Camp Supervisor. Medication must be prescribed by a physician and must be kept in its original container. They will be kept in a locked box in the camp office. If your child develops a communicable disease during camp (e.g. Pink Eye), we ask that you inform staff immediately. This will allow us to inform other participants so they can take the necessary precautions.

An Authorization Form for the Administration of Topical Medication (SUNSCREEN)& (HAND SANITIZER) must be completed by the parent of a child who is requesting that a non-prescription topical medication (SUNSCREEN)&(HAND SANITIZER) be administered during hours that the child receives child care, in accordance with KCCE's medication administration policy and procedures.

## INCLUSION POLICY

KCCE supports inclusive practices and will make every effort to accommodate children with special needs. In doing so, the staff will work with both the parents/guardians and community agencies to ensure that our programs are accessible to all children. This includes not only programming, (i.e. developing and amending plans to meet varying developmental need of the children), but also recognizing the need for other supports including the use of technology if/when possible, revising furniture/equipment to make activities more accessible, training and development of staff etc. An Individual Support Plan with input from the parent must be in place prior to a camper starting. This plan will be shared with the staff working directly with the children. **If we feel that our camp is unable to accommodate your camper based on their needs, funding availability and staffing, services will be withdrawn as per our Discharge Policy**

## ANAPHYLAXIS POLICY

In compliance with Sabrina's law, it is our goal to ensure that all children enrolled in our programs are not at risk of exposure to anaphylaxis causative agents. For every child with life threatening allergies, we will develop an individual plan and emergency procedure with input from the child's parents. This plan will include a description of the child's allergy, monitoring and avoidance strategies, signs and symptoms and any action that needs to be taken in the event the child has an anaphylactic reaction. This plan will be shared with the staff working directly with the children. Each staff will be trained on the procedures to be followed in the event of a child having an anaphylactic reaction, how to recognize the symptoms and how to administer medication. **Parents MUST train staff designate on the first day of camp.**

## HEAT ADVISORY/TRIPS

Camp will continue during heat advisory warnings; however, campers will be moved indoors to a more moderate climate and programs will be adjusted for indoor conditions. **Please note that not all our facilities are air conditioned, however each class is equipped with fans.** We encourage campers to bring their water bottles daily. Trips maybe cancelled/rescheduled or changed due to heat alerts.

## PICK UP/DROP OFF/ ABSENCE

Children should be picked up and dropped off in their classroom. To ensure maximum safety, sign in and sign out of each camper is required daily. It's the parent/guardian's responsibility to ensure campers are signed in/out. Prior notification and photo identification will be required if camper has been picked up by anyone other than parents. **In the case of a campers absence parents must notify the centre by 10:00 am for each day that they are away, as per the \* New Safe Arrival & Dismissal Policy\* (all policies are available online at [www.kidsconnectionce.com](http://www.kidsconnectionce.com))**
